

# Freedom of Information Request FOI1073

## Request:

We are aware that Food Businesses are required to register their activities with their local Councils under Regulation (EC) No 852/2004. To assist our ongoing analysis, please provide the following information about each Food Business registered with you in the previous two calendar years 2017 and 2018. Please confirm the information in Excel with each column titled as:

Business Trading Name The Business Address from which that business trades The "type" of food activity given (as required on the Registration) The business email address as given on the registration

Please note that this request does NOT simply ask for a copy of the food register - my request does ask for the business email addresses given in the food registration documentation.

Submitted on 08/04/19.

## Response:

Please find excel sheet attached. We are unable to provide email addresses as they are not included in the database. To include them would involve a staff member to review each food registration form which would take in excess of 18 hours to interrogate each form.

Therefore this part of the request is refused under s12 (1) Freedom of Information Act 2000, since the cost of complying would exceed the appropriate limit set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004.

In assessing the cost of complying, the costs attributable to officer time involved in complying have been taken into account. Such costs are limited to £450.00 under the Regulations, which equates to eighteen hours of officer time.
