Request:

1. Please state the number of Community Protection Notices (CPNs) issued in the year November 2018-October 2019. Please provide the text or subject matter of these CPNs.

9.

It is not possible to provide the subject matter. To identify each case that involved a CPN, to then determine subject matter, would require checking over 1800 records individually for this information which would exceed the appropriate limit.

Therefore, this part of the request is refused under s12 (1) Freedom of Information Act 2000, since the cost of complying would exceed the appropriate limit set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004.

In assessing the cost of complying, the costs attributable to officer time involved in complying have been considered. Such costs are limited to £450.00 under the Regulations, which equates to eighteen hours of officer time.

2. Please state the number of fines issued for the violation of Public Spaces Protection Orders (PSPOs) in the calendar year 2019 (Jan-Dec 2019).

2b. Please provide details of the offences for which these PSPO fines were issued.
